### FEE FOR RFID CARD ISSUE

card & delivery within Slovakia: **8 €**

card & international delivery: **12 €**

### PARKING<sup>\*5</sup>

**3 €/h**

- <sup>\*1</sup> AC, DC, Ultra or DriveX charging included within the free charging volume are billed monthly. Charging in International and National roaming is not included.
- <sup>\*2</sup> After using up the free charging volume, regular fee is applied.
- <sup>\*3</sup> Ultra charging - charging of the Electric vehicle with direct current at a connector output of **100 kW** or higher.
- <sup>\*4</sup> DriveX charging is Ultra charging at Charging stations physically marked with the ZSE DriveX logo and visibly differentiated from other Charging stations in the mobile app and on the Website.
- <sup>\*5</sup> Parking fee is charged for every commenced hour after exceeding the time period dedicated for charging Electric Vehicles (regardless of whether the vehicle is charging or not).
- <sup>\*6</sup> The charging price for the period 22:00 - 06:00 applies to charging sessions that start between 22:00 (inclusive) and 06:00, regardless of the time the charging ends. Otherwise, the price from 06:00 to 22:00 applies.

### Charging times for charging Electric Vehicles:

AC charging - Residential location - 720 minutes | AC charging - other location - 180 minutes | DC charging - 90 minutes | Ultra and DriveX charging - 60 minutes

Information on location type and charging time length for the Electric Vehicle can be found on the website [www.zsedrive.sk/mapa](http://www.zsedrive.sk/mapa) and in the ZSE Drive mobile application.

## DISCOUNTED CHARGING PRICES IN KWH VOLUME FROM THE VIRTUAL BATTERY

Supplied volume of kWh from **Virtual battery** can be used with any ZSE Drive Service programme.

When using the supplied kWh volume from the Virtual Battery, a **discount 35% of the current price** of the Service Programme and charging type according to this Pricelist will be applied to the price for daytime charging between 06:00 and 22:00.

The discount does not apply to the night price between 22:00 and 06:00, and standard prices at ZSE Drive charging stations and in Partner Roaming apply.

Service Program	AC charging	DC charging	Ultra <sup>*2</sup> charging	DriveX <sup>*3</sup> charging
